

May 16, 2022

The Board of Ellis County Canvassers met in special session at 8:00 am, Monday, May 16, 2022 in the Commission Chambers at the Administration Center, 718 Main Street, Hays, Kansas. The Canvass Board was Robert "Butch" Schlyer, Joe Leroux and Neal Younger.

Election Officer Bobbi L. Dreiling discussed the provisionals. There were 74 total provisionals; 64 were counted, and ten were kept sealed. She presented to the Canvassers a guide on how provisionals are counted so that they could see how Dreiling came up with the acceptance and rejection of the 74 provisionals. Dreiling then proceeded to go through the provisionals:

54 ballots accepted because of address change (Election Standards #B2)
3 ballots accepted because of address and name change (Elections Standards #A3 #B2)
4 ballots accepted because of name change (Election Standards #A3)
1 ballot accepted because advance mail ballot was lost (Election Standards #C1)
1 ballot accepted because of poll worker error (Election Standards #A5)
1 ballot accepted because Johnson County had pulled this voter from Ellis County in error so the name did not appear in our poll books. Once we figured out the mistake, we pulled her back from Johnson County. (There is no Election Standard for this)
10 ballots to be rejected because they were not registered (Election Standards #A6)

There were no questions of Dreiling on the provisionals.
